

## **Kidz Storm Great Adventure** *Preparing for your event... With Your People!*

### ***Who Do You Have?***

We are always looking for ways to involve your people. The more they are involved, the more your event will work for you. Therefore, we need your help.

### ***Do you have any one who does something special?***

Do you have anyone in your church that can do any of the following:

Juggle

Magic

Balloon Animals

Face Painting

Puppets

Photography

Or would be interested in learning one of the above?

### ***Special volunteers***

1. Required to be present 2 hours prior to the first night of the event

If you have someone who would love to do one of the above but does not know how, they will need to be present about 2 hours prior to your event so I can teach them a couple of simple things they can do. Anyone can do most of the above mentioned talents (except juggling) with very little practice.

2. Required to be present 60 minutes prior to the event.

Those who can do any of the above items. If they are present 60 minutes prior to the event, then as children arrive they can start to perform for them. This will create an extra air of excitement, and will allow your children the chance to enjoy their event even more. From puppets to face painting, each of these events offers one more chance to create a memory and make a special night for your parents and children.

***Please contact us ASAP*** with the above information, (let us know if you will have people doing any of these events that we need to supply with items or training) having this before we arrive will be great. This will let us know what we have to have in order to make your event more productive and something that will reach boys, girls, moms and dads with the Gospel of Christ.
