

## Kidz Storm Pirates OTM *Set Up Items for Kidz Storm*

1. We will need two microphone hookups on the stage.
2. 2 eight foot tables for product. The number of tables will depend on available space.
3. 8 rolls of TP for the TP blowers. The best rolls to use are the 1000 sheet rolls. Whatever brand is cheapest is fine.
4. Ice for the Sno-cone machine
5. Cups for the sno-cone machine
6. Syrup for the sno-cone machine
7. Floss sugar for the cotton candy machine
8. Plastic bags for the cotton candy (sandwich bags work really well)
9. Candy as a reward for saying the memory verse. Small or big, bubble gum, jolly ranchers, you decide. Enough for each child to have one piece during the VBS.
10. Incentive for brining visitors (i.e. Ipod, MP3 player, kids toys, DVD's or gifts from our table.
11. Supplies for face paint (Wal-Mart, water colors and brush)
12. Balloons for balloon animals. Can be purchased from Wal-Mart or contact us and we will bring them with us. One bag (144 balloons) is about \$8. These are balloons for your people to use to make balloons before or after the Kidz Storm. Bro. Steve brings his own for the stage.
13. If you choose to do a craft, and you choose the blanket we recommend you will need to order enough blankets 1 per 10 children present, and I would recommend you order those 4 weeks prior to your VBS. Many times in the summer Group is overwhelmed with orders. Nothing else is needed for these blankets. It is a self-contained craft. These would be great to give to an abused mothers shelter in your area, or to a hospital to give to children on your behalf when they leave the hospital. A great outreach for your church and children's ministry
14. Bricks for the penny offering if you so desire to do a penny offering. This helps get kids and parents involved in your penny offering.
15. We have no plans for pennies this summer, so anything you collect will be for you to use in your ministry.
