

Kidz Storm Pirates OTM

What You Need To Do Prior To Our Arrival

1. Clear the stage completely prior to our arrival.
2. Needed – 3-4 strong people to help unload trailer.
3. Use flyer from webpage to promote the Kidz Storm. (Should start passing out this flyer at least 4 weeks prior to the event. Six weeks is best.)
4. Place advertisement on local cable station (almost all cable providers will place church PSA's for free two weeks prior to event.
5. Drop off info to local Christian radio station's for their PSA announcements.
6. Most newspapers will do a VBS listing in the summer.
7. Whatever promotion you can do to make this a successful event will be great. You need to start your promotion at least 4 weeks prior, 6- 8 weeks is best. The more you promote, the better your event.
8. There is a video on the website you can use for promotion to get your workers to sign up. Feel free to use it if you so choose.
9. Build excitement with children by offering an incentive to the person that brings most visitors during the Kidz Storm. Ipod shuffles are good items, good children's toys or DVD's or I can make t-shirts and magic tricks from my table available to you.
10. Any decorating you would want to do to the stage area or foyer is great. Some churches like to set up a bank, prize station, sign in for boys and girls in the foyer and make this theme oriented to the Kidz Storm.
11. Cups for sno-cones and sno-cone syrup. This can usually be purchased at any Wal-Mart. It is best to use cups instead of the sno-cones. Sno-cones cannot be set on a table, but cups can. Therefore you can prepare ahead of time and have for the kids as they get ready to leave. (If you want to use sno-cone machine)
12. 20 lbs of ice for every 60 kids at Kidz Storm (If you want to use sno-cone machine)
13. Floss Sugar for Cotton Candy Machine. One large container will take care of most Kidz Storms. (If you want to use the Cotton Candy Machine)
14. Plastic bags for cotton candy. Zip lock sandwich bags are great.
15. 20 bricks for the penny offering. If you want to paint them gold, it would be great but is not necessary. This will help with the penny offering greatly. (If you are doing a penny offering.
